- Alternately, take first right into parking lot

From University Drive:

- Turn South onto Jordan Lane
(if you are coming from West, this will be Right)
(if you are coming from East, this will be Left)
- Turn Right onto Holmes Avenue
- Turn Right onto Ben Graves Drive
- Take first Left, up hill to parking
- Alternately, take first right into parking lot

From Memorial Parkway:

- From North, turn right onto University Drive
(follow directions above)
- From South, turn left onto University Drive
(follow directions above)

Primary vs Alternate Parking

The parking for the library is up the hill near the library and Nursing Building on campus (marked in blue, above). Alternatively, you can park in the Spragins Hall parking lot across the street (marked in orange, above).

Using Google Maps (etc)

The address for the library is the campus address, which is not necessarily helpful for finding the specific building. However, Google Maps will respond to the keyword "Salmon Library". However, your GPS device might be best pointed at UAH more generally, and then use the map above to find the library specifically.

A Note About Parking for Visitors

UAH parking requires a parking pass for its non-guest spots. If you are planning on parking on campus, you should contact the Parking Management Office at either (256) 824-6595 or at parking@uah.edu. They are located in the Intermodal Parking Facility, across Holmes Avenue from the library. If you are visiting the library for official business, you can contact the reference desk at erefq@uah.edu or 256-824-6529, we can contact them for you.
